360° Difüzyon aydınlatma ışığı her yere 360° eşit olarak dağıtır. Göz almayan ışık noktası, rahat bir atmosfer ve sakin bir ortam yaratır. Işık küresi mekanın yüzeylerini, daha huzurlu, daha zengin gösterir ve son derece homojen bir ortam sağlar.

360° Difusion lighting distributes light equally in all directions (360°). It attracts a relaxed gaze towards the point of light, and creates a calm, very comfortable atmosphere. The light sphere bathes all surfaces of the space, producing a peaceful, richer and extremely homogenous ambience.

Dar açılı vurgu aydınlatması, yoğun ve parlak ışık nesneleri veya mimari öğeleri vurgular, ön plana çıkarır. Işık çıkışı kişiye doğru değil nesneye veya mimari öğeye doğru yönlendirilmelidir.

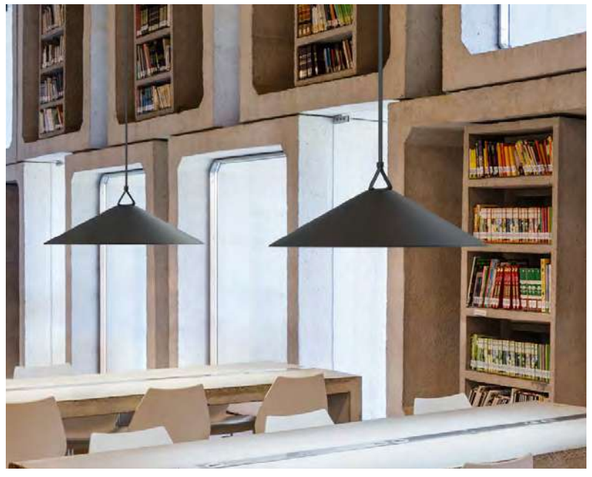

Accent lighting emphasizes objects or architectural elements with intensive cones of light. Luminance contrasts attract the eye and bring the illuminated objects into the foreground. The light output is directed towards the object or architectural element and not towards the person, in order to avoid glare.

Yüksek verimli, genel doğrusal aydınlatma orta parlaklık ve netlikte formlar sunar. Doğrudan aydınlatma, genişletilmiş ve güçlü ışık, mekanlara yüksek enerjili ve huzurlu ortamlar sağlar. UGR seviyesi 19 altında, düşük parlama seviyeleri ve göz almayan özelliktedir.

High-effciency, low-glare general linear lighting offers medium brightness and clarity of forms. Direct illumination, extended beam and uminaire performance enable installations with high-energy effciencies and low-glare levels below UGR<19.

İKAZ	320 lm	1800	6V	IP65	50

Güneş enerjili ürünlerin performansı;

Mevsimlere, hava şartlarına, gece-gündüz süresine, ürünün montaj yerine, depoladığı enerji miktarına, güneş panelinin bakım ve temizliğine, ürünün batarya kapasitesi ve kullanım süresine göre değişkenlik gösterebilir.

İşaretli ürünler hobi ürünleri olup mevsimlik performans sergilemektedir. Ürün seçimi yaparken 1 Yıllık / Sezonluk Garanti süresi göz önünde bulundurulmalıdır.

Performance of solar-powered products:

It may vary depending on the seasons, weather conditions, duration of day and night, the installation location of the product, the amount of stored energy, the maintenance and cleanliness of the solar panel, the battery capacity of the product, and its usage time.

*The marked products are hobby items and exhibit seasonal performance.
When selecting a product, the 1-year / seasonal warranty period should be taken into consideration.*
